

## A Sparkling Affair

Guests at the gala premiere of The Crystal Mirror had a fabulous time! The Piper Heidsieck flowed and so did the fun. Held in a spectacular 19th-century mirror tent pitched on the Padang, this extravaganza of cuisine and entertainment features a multinational cast of artists, singers, comedians, musicians, entertainers and an award-winning F&B team. The show continues to 15 April before heading on its way through Asia – see it if you can!
