# Grand Appetites

## A dining extravaganza

Imagine supping on an elaborate four-course dinner of Viennese and French cuisine inside a 1920s mirrored tent, with amazing musical and acrobatic entertainment to enthrall you. That's what you can expect when Crystal Mirror premieres in Singapore this month. This totally unique dining concept is not to be missed: Award-winning chefs prepare your meal while you enjoy a three-hour programme inside a beautiful art deco-themed tent that seats 378 guests. This mobile restaurant concept is a first in Asia, and promises to be a feast for the senses. Tickets priced from \$159. For the March 9 Gala Premiere, limited tickets are available.
