

Be the first in Asia to experience The Crystal Mirror. A four-course gourmet dinner created by acclaimed chefs, spectacular setting in a Mirror Tent and unique entertainment. In a nutshell, a feast that titillates one's senses all in one sitting.

Award-winning Michelin Star chefs from Austria and France serve an exquisite continental haute cuisine menu with Viennese and Parisian influences. Dinner is paired with rare and specially imported wines.

The Mirror Tent is an architectural masterpiece constructed without the use of a single nail. Elegant mirror tents were popular in the Netherlands and Belgium around the end of the 19th century and also at music and theatre festivals in the 1970s. A symbol of the era's extravagant nightlife, the Mirror Tent features a sumptuous art nouveau interior decorated in brocades and silks that invoke the elegance and nostalgia of a long-lost era.

Combining a cast of 15 international artists in dreamy poetry and breakneck pandemonium, the programme of acrobatics, comedy, song, magic and theatrical artistry is meticulously choreographed.
